

DoD Energy & Power Summit

Sponsor & Exhibitor Prospectus

DSI's 2020 DoD Energy and Power Summit will discuss the efforts the DoD and other organizations are putting into creating more robust and effective power capabilities across the full spectrum of military operations. As emerging technologies require greater energy generation the DoD will need to figure out how to provide this vital resource to warfighters in austere and distant environments

This educational Symposium will bring together senior DoD officials, military leaders, academia, and solution providers to explore emerging concepts and capabilities in necessary to support the use of power and energy for the Department of Defense. With DoD being the number one energy user in the world, the creation of efficient and resilient methods of supplying the Warfighter with power, both at home stations and across the world, is a critical mission

At DSI, we consider our sponsors as our partners. Our goal is to provide you with an experience that is custom designed to meet your organization's goals. To this end, we value your input and expertise and will work closely with you to create a sponsorship campaign that is tailor made for your business needs.
